

COMMERCIAL MATTERS.

MONDAY, April 24 - N. Y. The regular and public stock boards met at 10 1/2 a. m. and immediately adjourned without doing any business. Gold was sold in small quantities at 159 1/2 @ 160. There were a few transactions in stocks on the street, but at 10 1/2 a. m. business ceased. The market was very strong, New-York Central, 97 1/2; Erie Railway, 74 1/2; Michigan Southern, 67 1/2; Reading Railroad, 106; Cleveland and Pittsburgh, 75 1/2; N. W. Co., 34 1/2; the Preferred, 62; Port Wayne, 97 1/2; Cumberland, 51 1/2; Hudson River, 107 1/2; Rock Island, 56 1/2; Q. & St. Louis, 64 1/2. There is a brisk demand for Stocks of all kinds, and any attempt to buy large lots puts the market up rapidly. The supply of money exceeds anything in the recent history of Wall-street, and the accumulation is not yet at an end. Government Stocks are all strong.

Sterling bills are held at 106, but business is done at less. The following shows the condition of the New-York City banks this week and last:

Table with columns: Name of Bank, Average Assets, Average Liabilities, Average Capital, and Local Deposits. Lists various banks like B. of N. Y., Manhattan, etc.

The bank figures tell the whole story as to the cash in money. The Gold item shows a decrease of \$411,426 only in the face of an absorption by the Sub-Treasury of \$1,100,000 in four working days.

The following comparison shows the totals of the Associated Banks' weekly statements since March 11, 1865:

The quantity of coal sent by railroad this week is 67,347 tons, against 67,000 for the week ending March 27, and 67,294 for the corresponding week last year. The trade runs up this week as follows, compared with last year:

Views of Gerrit Smith. To the Editor of The N. Y. Tribune. Sir: You are right in your recently expressed opinion that the early Abolitionists, those who have borne the heat and burden of the day in the struggle for emancipation, will not generally be found among those who clamor for the blood of rancid Rebels - 'leaders' or otherwise.

The Mourning Dropper. The suggestion alluded to in the communication below, was made a few days since to some friends, who having warmly approved the same, I submit it for your action, and would only add, I believe that a suitable building in a central location can be had, without charge, the material can be refurnished at a small sum per yard.

CONCERNING THE ABOVE. Mr. Wm. C. Dusenberry, it will afford me great pleasure to sell at public auction all the material remaining, free of all charge.

THE COLORED PEOPLE. Sir: In the reported address of the funeral of the late President of the United States, and also of the Past Day yesterday, there is a marked omission of any mention of what took place in the Colored churches. This cannot be because colored ministers and their flocks of the various denominations were behind their white fellow Christians in these observations.
